

## Access Statement for Madame Parboiled Ink

Every effort is made by Madame Parboiled to make sure that everybody can enjoy her tours and shows.

However due to the nature of underground cave systems there is an accessibility issue for mobility impaired customers.

Madame Parboiled does provide a wheelchair free of charge to enable less ambulant customers the opportunity to join in the town tours, this has to be booked in advance.

Madame Parboiled strongly feels that her tours and shows should be enjoyed by everyone, whenever it is safe for everyone involved. Madame Parboiled recommends that if you have an issue please ring: 07773147271 or email her at [madameparboiled@gmail.com](mailto:madameparboiled@gmail.com) to discuss how to enable a visit.
