CASE STUDY

We think Nottingham is an amazing city in which to host your event, but don't just take our word for it. The following case studies offer just a small snapshot of the fantastic conferences and events that take place in the city every year.

EUROPEAN SOCIETY OF ARACHNOLOGY 30TH EUROPEAN CONGRESS OF ARACHNOLOGY

August 2017 saw over 150 arachnology experts, students, researchers and scholars from across the world descend on Nottingham to discuss new discoveries and developments in the field. With support from the Meet in Nottingham team, and led by Nottingham Event Ambassador Dr Sara Goodacre and her team, the University of Nottingham hosted the 30th European Congress of Arachnology. It had been 20 years since the congress was last hosted by the UK (one of its founding nations).

The scientific programme was split into 19 thematic sessions which, in total, encompassed four plenary talks, 72 oral presentations and 44 poster presentations.

Delegates stayed at the University of Nottingham's on-site accommodation; University Park Campus offers rooms for up to 3,000 delegates within 12 halls of residence and 330 acres of rolling parkland.

As a part of the congress, the Meet in Nottingham team organised three excursions for delegates. One to the village of Lambley, where delegates enjoyed a quintessentially British countryside walk. Others were given a tour of the city centre by Nottingham's original outlaw hero, Robin Hood. Nottingham Castle, some of the city's 800+ underground caves, and the local Castle Rock Brewery all featured on Robin's tour, giving delegates a chance to learn about Nottingham's rebellious past.

The third excursion was to Sherwood Forest, home to legendary Robin Hood and one of England's oldest trees, the Major Oak. A stroll to see the Major Oak was followed by English tea and cake in the nearby grounds of Clumber Park.

The European Society of Arachnology supports the study of arachnology, promotes its development and facilitates exchanges between researchers and institutes.

Meet in Nottingham really made our Spider event special - all the extra touches and inspired suggestions about how to give people the best experience were completely invaluable. It was a really fun-filled, memorable event. Thank you to the Meet in Nottingham team!

Sara Goodacre, Associate Professor,
Faculty of Medicine & Health Sciences
at the University of Nottingham

INNER WHEEL

67TH ANNUAL INNER WHEEL CONFERENCE

On Monday 3 April 2017, over 2,000 Inner Wheel members from across the UK and Ireland arrived in Nottingham for the 67th Annual Inner Wheel Conference, at the Theatre Royal and Royal Concert Hall.

The Meet in Nottingham team was involved in the organisation of the event from start to finish, working closely with conference organisers to ensure the success of the conference.

On the Monday, prior to the opening of the conference on Tuesday 4 April, delegates enjoyed a golf tournament at the Nottinghamshire Golf and Country Club, as well as walking tours of the city including the award-winning Robin Hood Town Tour, which proved to be a huge hit with delegates who were keen to learn about Nottingham's most famous outlaw. The close proximity of the Theatre Royal and Royal Concert Hall meant that delegates could also enjoy the diverse range of high street and independent shops nearby.

Following a day full of exploring the city and enjoying varied social programmes – which were created and organised by the Meet in Nottingham team and hosted by some of their partner businesses – day two of the conference began. The atmosphere was amazing, with the Lord Mayor of Nottingham welcoming delegates. The day's schedule was full of speakers sharing insight and stories with a packed auditorium.

As the conference came to an end, delegates commented on how much of a great success it was, with so many of them having made the most of their stay in Nottingham, exploring all the city has to offer.

The support received from Meet in Nottingham was second to none! It was a pleasure to work with them and we had every confidence that they would deliver and meet our needs. We cannot praise and thank the staff at Meet in Nottingham and the Royal Concert Hall highly enough. They were very welcoming and are dedicated professionals who went out of their way to ensure that our conference was a successful and enjoyable occasion.

Zena Coles, Association President,
2016-17 of the Association of
Inner Wheel Clubs

GETTING HERE

Conveniently situated in the heart of central England and with excellent air, rail and road links, Nottingham is the epitome of a modern hub city.

77% of the UK population
is within a 4hr-drive

Only 1hr 40mins to London
St Pancras International by train

Two major airports on the doorstep

ROAD

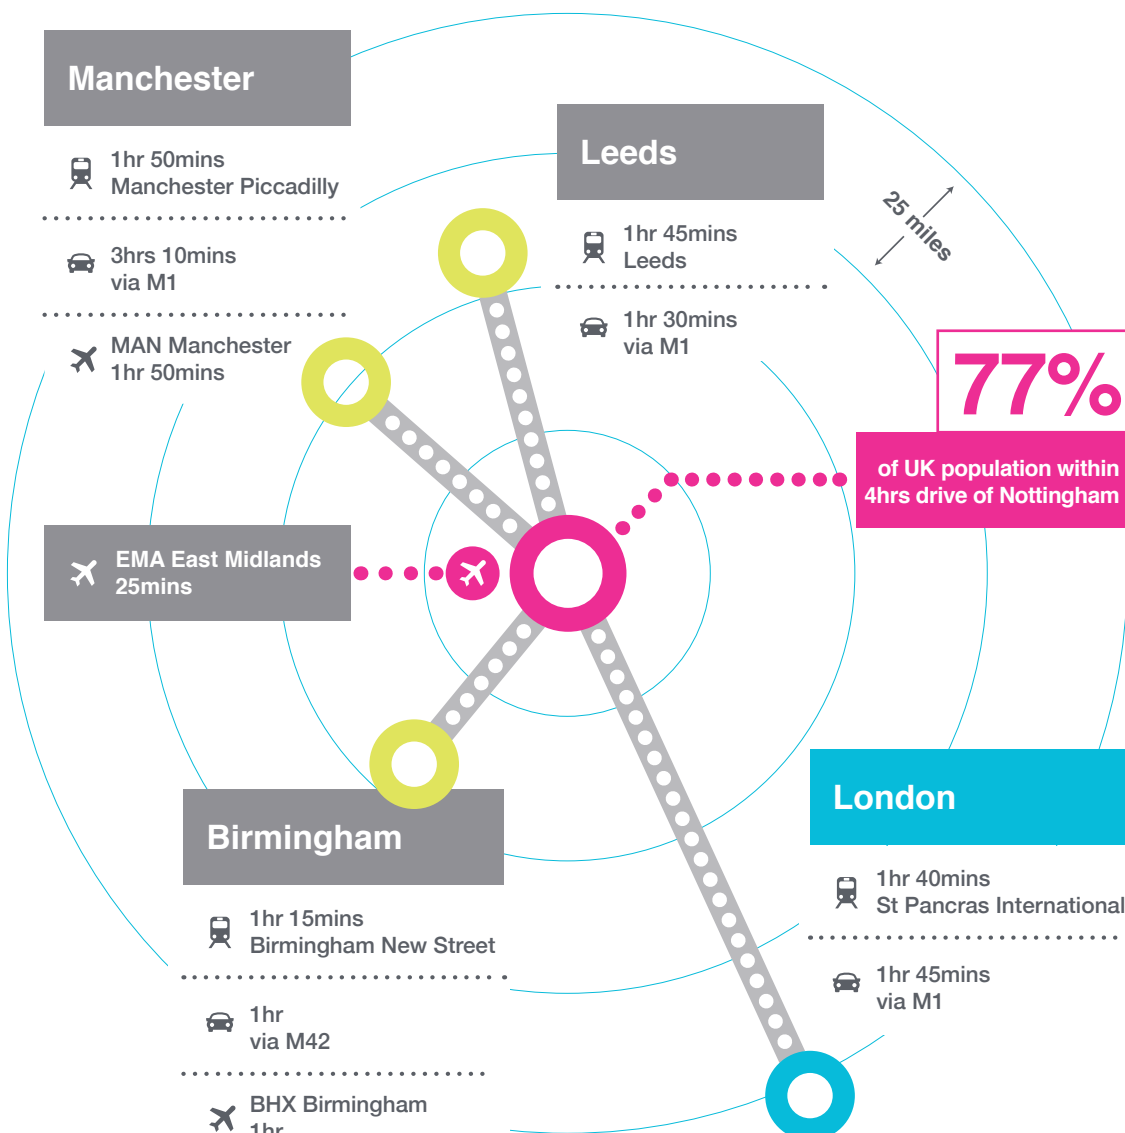

The proximity of major motorways, including the M1, A1, A52, A46 and M/A42, means the city is easily accessible by car and coach, and with more than 10,000 well-signed car park spaces in the city centre plus seven Park and Ride sites, you can arrive with ease right in the heart of the action.

RAIL

Speedy rail links run to Nottingham from throughout the UK including Birmingham, Manchester, Liverpool, Central London. The Eurostar at St Pancras International takes you from Paris, Brussels and Lyon to Nottingham via daily train services from the St Pancras hub.

AIR

Serviced by two major airports, Nottingham is easy to get to from Scotland, Ireland, key European cities, and other international destinations. Birmingham Airport efficiently connects Nottingham to 400 global destinations via transatlantic scheduled services, and with East Midlands Airport on the doorstep, you're connected to the heart of Nottingham city centre via road and rail.

GETTING AROUND

A compact city centre, world-class tram system and award-winning bus networks means business and leisure visitors alike can get around easily, enjoying the vibrant shopping and cultural scene Nottingham has to offer.

TRAM

Nottingham Express Transport (NET) operates our fantastic tram system and their mission is to get you from A to B as quickly, smoothly and safely as possible. The tram line runs from Hucknall (just off M1 junction 27) and Phoenix Park (just a minute's drive from M1 junction 26) into the heart of Nottingham city centre, stopping at Nottingham Trent University, Nottingham Train Station, the University of Nottingham and beyond.

It takes under 30 minutes from Hucknall into the city centre and just 20 minutes from Phoenix Park.

NET offers a number of ticket options and ways to buy - visit [thetram.net/tickets](https://www.thetram.net/tickets) for details. **The Meet in Nottingham team can provide your delegates discounted tram tickets for the duration of your event or conference, email conferences@visit-nottinghamshire.co.uk for more information.**

BUS

Nottingham City Transport (NCT) operates 330 buses providing a comprehensive, high-frequency and fully accessible network of services across the city, seven days a week.

Thanks to NCT, we have one of the youngest and most environmentally friendly bus fleets in the country, with 53 bio-gas double deck buses. These bio-gas buses are the greenest in the UK and are expected reduce Co₂ emissions by up to 84% compared to an equivalent brand-new diesel double deck bus. Additionally, the buses are equipped with free Wi-Fi, USB charging points and audio announcements to help you find your stop.

All NCT buses are tracked by satellite, feeding live bus departure information to hundreds of bus stops across the network as well as being available on their fully responsive website and NCTX Buses app. There are several ways to buy your NCT bus tickets – find out more at nctx.co.uk/fares-and-tickets.

WALKING AND CYCLING

You can easily walk from one end of our city to the other in 20 minutes and with much of the city centre being pedestrianised, you can enjoy cycling around too.

For cycle hire within the city, you can download the Citycard Cycles app and hire an on-street bicycle for a few hours. For longer-term bike hire, visit citycardcycles.com. Alternatively, Nottingham Cycle Tours provide guided tours in and around the city. Experience Nottingham on your bicycle and see it through the eyes of the local guide.

Alternatively, why not take a tour of the city or county with one of our expert guides? There are a number of fantastic tour guides ready to bring the story of Nottinghamshire to life, and can put on personalised trips for business delegates.

See www.visit-nottinghamshire.co.uk/things-to-do/tours-and-trails for more information.
