Please note: 82 side roads across the District will be affected by these road closures.

Road diversions will be in place where possible. All parking restrictions also apply to Blue Badge holders.

Civil enforcement officers will be operating along the route. Any unattended vehicles parked along the route when the restrictions and closures are in place will be towed away.

Town Centre Celebrations!

Mansfield Business Improvement District has teamed up with Mansfield District Council to celebrate the arrival of the Olympic Flame. The town centre will be dressed for a party with banners and bunting, and street performers will be keeping the crowds entertained from 10am!

They will also be running a competition, giving out spot prizes to members of the public who come dressed in Olympic colours!

Traffic & Travel

We are expecting a certain amount of disruption in and around the town in the hours leading up to the arrival of the Torch and after it has left the District.

Be Prepared!

It's a good idea to be prepared for all weathers. If it is hot and sunny, don't forget to apply sun cream and make sure you bring a drink and sun hat with you. If the rain clouds are looming, you will need to put on your waterproofs and bring a brolly!
