

Summer Pruning and Apple Tree Budding Workshops

Saturday 2nd August

Thursday 7th August

10am-12 noon at St Anns Allotments Visitor Centre

Participants will learn how to summer prune apple trees correctly. This is usually done for trained forms such as espaliers and cordons to promote fruit bud development and limit growth. They will also get the chance to practise the art of bud grafting apple trees.

**£7.50 for STAA Members, £10 for others
(£5 non-refundable deposit required to reserve your place
as spaces are limited)**

- All materials provided but feel free to bring your own pen knife and secateurs.
- Grafted trees available to purchase for £5 each (will label for collection later in year).
- Refreshments and Alice's lovely homemade cakes available.
