

BRAMLEYS

BRASSERIE | BAR

Residing on the University of Nottingham campus, we wanted our menu to feature signature dishes, specifically chosen by our head chef to compliment the changing season and to showcase flavours inspired by our international campuses in China and Malaysia.

Using the best locally sourced ingredients this season has to offer, such as Southwell's Bramley apple and cheeses from Cropwell Bishop and Bosworth.

New for 2019, we've introduced an award-winning British sparkling wine from Nyetimber, try their Classic Cuvee, lovely and pale, with gentle fine bubbles.
