

# Brewery map

Every brewery in Great Food territory - tiny or large - is shown here. We hope it's a definitive piece of work. We also hope that some of you set out to try at least one beer produced by every brewery here. A good place to start would be the golden triangle of Nottingham and Derby - surely Britain's Cask Ale Capital? We want to see pictures of you drinking these beers, pumpclips in shot: email them to [editorial@greatfoodmag.co.uk](mailto:editorial@greatfoodmag.co.uk). Highlighted breweries have contributed a small amount financially to the map's creation.
