schoolchildren at risk of hunger in the UK

Due to our cooking processes and kitchen set up there is a potential risk of cross-contamination of allergens. This includes our recipes without intentional gluten ingredients for our pizzas bases and pastas, and any items which are deep fried (highlighted with an *). Therefore these may not be suitable for those with severe allergies or strict dietary requirements. A discretionary 10% service charge will be added to your bill for parties of 6 or more. 2000kcals is the recommended daily intake for adults, calorie needs vary by individual.

We work with charity Magic Breakfast to help provide free, healthy breakfasts to children in the UK who arrive at school too hungry to learn. For every breakfast dish purchased, we buy a breakfast for a child in need. Find out more here: gustorestaurants.uk.com/magic-breakfast
