LORD BYRON
1788 – 1824

George Gordon Byron, 6th Baron Byron, later George Gordon Noel, 6th Baron Byron, FRS (22 January 1788 – 19 April 1824), commonly known simply as Lord Byron, was an English poet and a leading figure in the Romantic movement.

Among Byron's best-known works are the lengthy narrative poems Don Juan and Childe Harold's Pilgrimage and the short lyric "She Walks in Beauty." He is regarded as one of the greatest British poets and remains widely read and influential.

Often described as the most flamboyant and notorious of the major Romantics, Byron was celebrated in life for aristocratic excesses, including huge debts, numerous love affairs, rumours of a scandalous incestuous liaison with his half-sister, and self-imposed exile.
