## The Facts

Carriages can comfortably accommodate up to 70 people, and evening events have exclusive access to the whole building. We have a fully licensed bar and can extend our opening hours until 1am on Fridays and Saturdays. We are also licensed for live music and entertainment as we are situated on the railway station getting to us is extremely easy and parking is free for our customers after 6pm. Prior to 6pm there is local parking for a very reasonable rate (across the road).

To be as flexible as possible for your party we offer a couple of options:

***Evening 7pm-11pm:*** We offer exclusive use of Carriages without charge with a spend over £400 on food. If the spend on catering is below £400 we will charge you the difference i.e. if the food bill is only £300 we will charge £100 room hire. If the food bill is less than £200 the full £200 room hire charge will apply.

***Daytime (Monday - Saturday) :*** There is no room hire charge for the Pullman Suite which holds 30 people when ordering food with a minimum £200 spend (buffet options are attached).

***Sunday Daytime:*** If you do not require any catering, we charge £200 including VAT for a fully staffed event offering a licensed bar from 1am - 5pm OR 5pm - 9pm.

Any additional hours are charged at £50 per hour.

At Carriages we pride ourselves on being a unique venue happy to customise any requirements to suit your needs, so please let us know if you would like any further information and tell us how we can make your event the best experience for you and your guests.
