COPPER CAFÉ & BAR

Doors open at 8am for our comprehensive breakfast menu as well as teas, coffees and juices. Our entire breakfast menu is available to eat in or takeaway until noon. We then serve a wide variety of food and drink throughout the day and complement our menu with an extensive wine list as well as imported beers. Free Wi-Fi is available to all our customers.

COPPER'S COFFEE & CAKE

Our CAFÉ BLEND is made of 100% Arabica coffee from four of the world's best producing areas: - Central America, East Africa, India and Java.

We know that our customers appreciate good quality, and we believe our range of freshly baked cakes is second to none. Made locally by our friends at You Dessert It, they are lovingly handmade and contain only the best ingredients; local free range organic eggs, British butter and sugar, top quality chocolate, nuts and extracts of vanilla and rose (not synthetic essences) all of which go to produce these beautiful confections.

We're sure there's a flavour for everyone – from traditional Victoria sponge and Drizzle cakes to the Pink Speckled cake – a new twist on the popular carrot cake, as it's made with beetroot! Just ask us about today's selection, we're sure to have something to satisfy every sweet tooth.

PRIVATE HIRE

The upstairs lounge bar at Copper is also available for private hire for weddings, birthday parties, corporate events or "just because". We can accommodate up to 55 people. Please contact a member of management well in advance of your preferred date.
