THE LAS IGUANAS MAGNÍFICA CACHAÇA STORY

**OUR CAIPIRINHAS ARE MADE WITH OUR VERY OWN CACHAÇA,
MAGNÍFICA DE FARIA LAS IGUANAS.**

For the last 30 years, Magnífica has been produced by the de Faria family in the mountains near Rio de Janeiro, in a unique triple copper pot still. This results in a top quality cachaça that has won international awards and is consistently ranked among the best in Brazil.

CACHAÇA IS A SUGAR CANE SPIRIT.

At Fazenda do Anil, where Magnífica is made, we plant our own sugar cane, harvest it, juice it, distill it and bottle it, guaranteeing its purity and its origin. There is a lot of passion and hard work involved!

You won't find another cachaça like it, either in the UK or Brazil, just as you won't find another caipirinha like ours.
