THE CROSS KEYS KITCHEN

We are proud to operate a 100% fresh food kitchen and everything you see on this menu is homemade by our team of talented chefs. This means that not all items may be available at all times and some dishes can take a bit longer to cook than others (ask our staff for more details about waiting times). But it also means that we only serve the freshest dishes using proper ingredients and we hope you'll agree that you really can taste the difference.
