At The Alchemist we are proud to stay true to the principles of professional bartending and, as such, we free pour all cocktails in accordance with the Weights & Measures Act 1985. All drinks with 3 or more liquids are cocktails. This includes when we serve vodka, whiskey, gin and rum with two other liquids (such as a vodka, lime and soda.) When we serve these spirits straight or just with a single mixer, they are served in 25ml or multiples thereof. Our drinks may contain nuts or nut traces. Please request to see our allergen file. Not all ingredients are listed as alchemy is complex.

i Our teams are trained in classic drinks making and techniques as well as smoke and mirrors. Anything you've tried elsewhere, please ask your bartender.
