

What is Houdini's Escape Room Experience?

Houdini's Escape Room Experience is an award-winning escape room company, experts in creating truly unique and immersive experiences.

What is an escape room?

Escape rooms are themed, real-life adventures where teams of players work together to find hidden clues, crack puzzles, complete exciting challenges and solve the mystery before the time runs out!

Will I actually be locked in the room?

Our rooms are never truly locked – you can leave at any moment by pressing the exit button should you need to. You'll also be monitored at all times by your own personal Games Master.

Are they scary?

None of our games are scary, though we guarantee plenty of excitement, tension and adrenaline!

Time

You have 60 minutes to complete the challenges, solve the mysteries and escape the room!

Puzzles

Unique, challenging and fun puzzles, all designed by our in-house game makers.

Themed Rooms

Exciting and immersive themes, individually built and designed by our industry experts.

Synopsis:

You and your friends have been personally invited to the last ever performance of the great escapologist and illusionist, Harry Houdini. Taking your place in the audience of the Grand Theatre you wait patiently for the performance to begin. The orchestra dies down, but the curtains refuse to budge. You hear whispers from the crowd - Houdini has disappeared!

Can you find your way backstage, solve the clues hidden in Houdini's famous props and uncover the mystery behind Houdini's disappearance?

Synopsis:

In the year 2248, you and your motley crew of space pirates have been found guilty of looting and are being transported on the U.S.S. Redemption to a mining facility to work off your sentence. En-route the ship suffers a catastrophic failure and is locked on course towards certain disaster. Your guards quickly abandon ship and leave you to your fate.

Can you free yourselves from prison, gain control of the spaceship and steer it to safety before time runs out?

Who Can Play Escape Rooms?

Escape games are the perfect activity for friends, families, colleagues and teammates!

At Houdini's we've welcomed adventurers as young as 12* and as experienced as 92! We've hosted family birthdays, reunions, stag and hen do's, sports teams, hobby clubs, best friends, first dates, teams of colleagues and plenty of other diverse groups. We strive to ensure that everyone leaves buzzing, and immediately planning their next adventure!
