"Whether it's the boss's birthday meal, casual Friday drinks or the big Christmas party, you need a destination that you can rely on"

➤ **WELCOME TO THE** ➤ **REVOLUCIÓN**

Imagine a place where the heart of the party beats to the pulse of a salsa rhythm. Where thrilling live music, perfectly mixed cocktails and delicious food form the foundation of every celebration. Where every day is far from everyday. Does that sound too good to be true? Think again.

Our story starts all the way back in 2011. The city of Sheffield is where our passion for the Cuban party lifestyle began.

Over recent years, we've been busy perfecting our cocktail-making skills, cooking tastier tapas and mapping out the Revolución takeover. From Manchester to Leeds, Nottingham to Milton Keynes, we're quickly bringing the Cuban fiesta to the whole of the UK.

Whether we're serving up a romantic meal for two, a delicious Sunday brunch or a round of casual evening drinks, our approach is the same in every instance and has been since day one - deliver an amazing customer experience each and every time, leaving our guests counting down the days until their next visit.

As you're the lucky one reading this, we can only assume that you're the social butterfly of the workplace who's been trusted to organise the celebration your colleagues deserve. Whether it's the boss's birthday meal, casual Friday drinks or the big Christmas party, you need a destination that you can rely on.

CANTINA

Exciting dishes inspired by the diverse flavours of Latin America and beyond

FROM CANTINA WITH LOVE

Food Development Manager Dou Touray is the driving force behind our Cantina menu.

"My story started with Revolución de Cuba at the very beginning. From day one, authenticity and quality food has been at the centre of everything we do. We've developed a team of Kitchen Managers who are dedicated to bringing the same level of vibrancy and flavour to our menu. We know that the good times shouldn't stop when the food is served, so we aim to deliver a memorable experience with every plate."

Menu development is a continuous process where we get to come up with new ways to excite our customers, taking inspiration from across Latin America and beyond.

My favourite dish? Good food is made for sharing amongst friends, and our selection of tapas means you'll always be spoilt for choice. The best part is, there'll always be something new to try on your next visit."

Our passionate chefs are dedicated to bringing you a menu bursting with bold, vibrant flavours

MEETINGS & CONFERENCING

Looking for a relaxed, pleasant environment for an out-of-office meeting? Look no further than Revolución de Cuba.

From an intimate boardroom-style meeting to a 100-person conference, each of our venues come fully equipped to ensure that your day is productive and delegates are refreshed.

By offering you a complimentary room and competitive day delegate rates, we make sure your budget goes even further.

Luckily, we also happen to offer the perfect conclusion to a long day of meetings - a refreshing Mojito.

We appreciate that no two events are ever the same, and so they shouldn't be. Our event specialists will take your ideas and turn them into a reality, helping to create your very own personalised slice of Havana.

DEDICATED SPACE

The event calendar for any business is unique, exciting and forward thinking, which happens to be the way we like it.

Thanks to the versatility of our venues, there's absolutely no idea we can't bring to life. All we need are your initial thoughts and suggestions and we'll work our Cuban magic to bring you a detailed proposal explaining how we can make your event really stand out.

Each of our dedicated spaces come equipped with your very own Cantinero who'll keep the Mojitos coming and fun-loving Maseros who'll cater to and entertain every one of your guests.

If you're interested in making a Revolución party a regular thing, why not consider making use of Havana Great Timeshares?

That way, you can book your next series of events in advance and leave all of the planning to us. No worry, no hassle.

EXCLUSIVE HIRE

Are you looking for a more private affair? Each of our venues are available to hire exclusively, giving you and your colleagues the freedom to relax, let your hair down and let loose on the dancefloor.

We'll tailor the food, drinks and entertainment around the specific needs of you and your guests. After all, it's your private venue, so who else is going to decide how the night unravels?

Let's make a deal. If you bring the people, we'll bring the Cuban party - one that lasts until long after the sun has gone down.

Don't hesitate to ask us about our availability. We'd recommend a mid-week date, where we'll have the liberty to make your night extra, extra special.

SPECIAL EVENTS

Whatever the occasion, it's our job to bring your dream fiesta to life

Team BUILDING

Turn colleagues into amigos,
the Revolución way

COCKTAIL MASTERCLASS

Our Cuban Cocktail Masterclass takes guests on a journey into the heart of Havana - the land of sun, salsa, and of course, rum!

Guests will experience the history, tools and skills of mixology while they get behind the bar to shake, muddle, strain and stir their way through a range of classic Cuban cocktails, including the iconic Mojito and fresh fruit Daiquiris, all under the expert guidance of our experienced Cantineros (that's Spanish for bartender!).

If you're looking for a way to bring your team closer together or simply an excuse to have some fun, this 90-minute interactive session will leave everyone with new talents, and more importantly, warm and lasting shared memories.

...ADD SOME SALSA

In Cuba, drinking and dancing go hand in hand. Now you and your friends can learn the rhythm of Havana when you add a salsa lesson to your Cuban Cocktail Masterclass. For those worried about finding their dancing feet, don't fret - that's all part of the fun!

Best of all, you'll be able to enjoy the experience in the comfortable company of your own party, so get ready to shed your inhibitions and transport yourself to the Mojito-fuelled street parties of Havana!

DISCOVER THE SECRET TO OUR INFAMOUS ZOMBIE

Here's how the legend goes: bar owner Donn Beach originally concocted the Zombie to help a hungover customer get through a business meeting. He mixed up a smooth and fruity concoction so potent, it totally zombified the patron. Donn's cocktail became a hit, but he kept his recipe a secret.

Nowadays, it's tradition for every bar that serves up a Zombie cocktail to keep their recipe a secret too. Ours is no different - it's a strong but perfectly smooth cocktail, and we don't tell anyone how to make it.

We do, however, make an exception for our Cuban Cocktail Masterclass guests. We'll reveal to your team the secrets to our take on the Zombie. But be careful - it's a dangerously smooth recipe to learn.

TAPAS PARTY

Take the hassle away from group dining with a carefully selected set menu of tapas favourites for tables of anywhere from 4 to 20 guests.

Available all year round, day or night, this option is perfect for sharing, and you'll get to taste a variety of different flavours from our menu.

2 AND 3 COURSE FIESTA DINING

Whether it's an intimate meal for four or a 100-person private dining event, we take the same degree of pride in each and every dish that comes from our kitchen.

Our goal never changes - we want to create a fantastic experience for you and your guests.

By serving up a menu comprised of only the freshest food, we can guarantee everyone a meal to remember.

MOSTRADOR

Group dining shouldn't involve a compromise in flavour and presentation.

Our infamous Mostrador service is a bold step away from the traditional buffet experience you're used to.

Imagine a hot and fresh way of buffet dining, served up by our friendly front of house teams, proudly supervised by the Kitchen Manager.

They'll personally take you through each and every dish, and rest assured, there'll be more than enough food to go around. We say that second helpings are a must - after all, that's the Cuban way!

All food is served extravagantly on our custom-made Mostrador boards, creating a theatrical manner of presentation that's sure to be the talk of the evening.

...and now, we can include our Giant Paella for just £5pp.

Fiesta CUBANA

Vibrant flavours that are a perfect match for every occasion

Seasonal CELEBRATIONS

Whether it's summer or Christmas,
make your destination Cuba

"It's hard to believe, but Christmas was banned in Cuba from 1968 to 1997. That means we've got 29 years of partying to make up for"

CUBANO CHRISTMAS

When it comes to Christmas, brussels sprouts and turkey just aren't our style. That's why we've put together Cubano Christmas, our unique Cuban twist on the most wonderful time of the year.

With sit-down meals, Cuban Cocktail Masterclasses and full-on fiestas, it's our aim to make your Christmas celebration the most talked about event in the calendar.

Where else on the high-street can you celebrate the festive season with great-tasting Latin American food, exotic drinks and live music, all with dedicated service to match? One thing's for sure - it's a far cry from bland turkey and Christmas carols.

No one likes to be disappointed at Christmas time, and with businesses booking further in advance each year, it's never too early to begin planning your celebration.

SUMMER VIBES

It's not just Christmas we can pull off with Cuban flair. We love bringing the party spirit to festive events throughout the entire year.

It doesn't matter what or when you're celebrating, we can bring the summer to you. With live music, exotic food and a Daiquiri or two (or three, or four), we're the experts at creating the ultimate sun-drenched fiesta at any time of year.

Contact us today to discuss how our events team can make your festive season one to remember.
