

Artisan coffee from 200 Degrees

Bramleys Brasserie are working with local Nottingham barista house to serve delicious coffee.

The coffee is roasted at an optimum temperature of 200 degrees; which gives character and personality to the beans. The beans temperature and colour are monitored using the naked eye to stop the process at precisely the right moment to ensure the beans have the correct flavour.

200 Degrees Coffee is ethically sourced, with their signature Brazilian Love Affair espresso blend coming 100% from Rainforest Alliance Certified farms.
