

Champagne

One of the great and established names in the Champagne region, Taittinger was founded in 1734 by Jacques Fourneau, a visionary who sowed the seeds for this now giant Champagne house. They produce around 400,000 cases a year of always reliable and delicious Champagne cuvee, Brut Reserve. That sets the scene for their exquisite vintage wines and exceptional Blancs de Blancs prestige cuvee Comtes de Champagne, matched by an equally exquisite and very rare rose. Taittinger have quite an empire, owning a Loire sparkling wine house and a winery in California. Their winery's location in Champagne is right in the center of Reims.
