Tea Room • Breakfast/Lunch/Dinner • Cakes • Afternoon Tea

### **We freshly prepare your food**

Please be patient if we're busy as sometimes it may take a little longer to get to your table.

### **Try our Tea or get another for free**

Have the confidence to order any of our teas and if you don't like it then we'll exchange it for another for free.

Not happy with anything? – On those very rare occasions something doesn't go to plan or you just don't like something, please talk to us and we'll try to resolve it on the spot. Our policy is to ensure you are happy.

### **A little bit about Josephine's**

We are an independent Tea Room and Café established in 2018. We serve everything from homemade cakes to homemade beef casserole. Our aim is to provide a place that is different from the typical high street chains both in appearance, ambience and quality. At Josephine's you can enjoy Afternoon Tea anytime without the need to book. Our loose-leaf tea is responsibly sourced from the world's finest Tea Estates and our coffee is the always delicious Nespresso.

*Feel at home @ Josephine's*

### **Register on our website for special offers**

We have frequent special offers just for registered customers.

## Drinks

### Pot of Tea for one ... £3.50

All our teas are high quality loose leaf from Tea Estates around the world, served to you in a china tea pot along with a tea strainer and a beautiful coloured teacup and saucer. Allow to brew for 4 to 7 mins, longer for stronger but not too long to avoid bitterness.

### English Breakfast Tea

A perfect Breakfast Tea that really will brighten your morning. Medium bodied with 'get up and go' flavour that is especially enticing with a dash of milk. Fantastic alongside our breakfast selection.

### Decaffeinated English Breakfast Tea

Using a Flowery Pekoe tea from the Dimbula region in Sri Lanka this Decaffeinated English Breakfast is full of body. A high-quality Ceylon tea is used as it retains its flavour better than others whilst undergoing the natural CO2 decaffeination process. With a balanced astringency and lovely floral notes, it truly makes a wonderful breakfast tea

## Yorkshire Blend Everyday Tea

There's something very special about experiencing a cup of tea from Yorkshire. Slightly stronger than the English Breakfast this amazing blend of Assam, Kenyan and China black teas we hope you'll enjoy a taste of Yorkshire, right here in Nottingham!

## Earl Grey

We have combined a high grown Ceylon tea and a smooth top grade Keemun along with top quality natural bergamot oil and added some blue cornflowers for decoration to produce a high-quality classic that quite simply delivers an amazing 'Earl Grey' experience with no aftertaste or overpowering perfume. Enjoy!

## Cream Earl Grey

Apparently if you're an Earl Grey fan, then you must try this magnificent cream version. Full of flavour with a smooth creamy taste and vanilla overtones our Cream Earl Grey Tea is great any time of day...especially with a delectable cake or two!

## Margaret's Hope Darjeeling

A distinctive 'muscatel' flavour, with hints of blackcurrants create an almost wine like taste. Often compared to the taste and fragrance of Muscat grape, Margaret's Hope makes a wonderful afternoon tea - great with scones and raspberry preserve!

## Zesty Lemon Rooibos Tea

Combining lemon with this premium Rooibos Herbal Tea invigorates the natural Rooibos sweet taste. This Rooibos tea has both smoothness and the slightly tart citrus edge of lemons. Try it with a slice of lemon and let your taste buds tingle!

## Body Boost

Body Boost -Feeling good never tasted better! A superb blend of Oolong, White Tea, Yerba Mate and Lemon pieces provide a cup of tea with some oomph! Both teas and the Yerba Mate are associated with a healthy lifestyle, improving the metabolism and overall feel good factors. A very pleasant lemon character provides easy drinking and will make you want some more!

## Peppermint Tea

Outstanding peppermint leaves from the best cut of the season that produce a cool and pungent cup of tea bursting with minty flavour. Peppermint tea is a really refreshing drink, totally caffeine-free that tastes just right, especially after meals

## Honeybush Herbal

A caffeine-free herbal tea that is as healthy as it is tasty. High in antioxidants, Honeybush is wonderfully sweet with a honey-like flavour and whilst slightly acidic, has a unique flavour often compared to apricot jam

## Japanese Sencha Green Tea

The smooth, rich flavour of this premium, traditional Japanese Sencha is commonly used in Japanese tea ceremonies. Sencha leaves have a distinctive glossy look and feel that provide a rich and full flavour

## Tropical Mango Tea

Tropical Mango Fruit Tea has such a great mango flavour without being overly sweet so, with each cup, you feel refreshed and your thirst is quenched. Packed with Vitamin C and caffeine free, this fruit and herbal tea is great enjoyed hot or over ice

## Apple Spiced Fruit Tea

Apple Spiced Fruit Tea is a seriously, delicious apple experience; one you'd only expect to find from a luxury herb and fruit tea. Naturally dried apple pieces mixed with cardamom, cloves, pepper and cinnamon produce a tea with a crisp character and light lingering finish. Truly delightful, every sip!

## Delicious Berry Fruit Tea

The combination of hibiscus, elderberries and dried blackcurrants results in the most extraordinary flavours that burst through in a truly delicious berry fruit tea. Enjoy with one of our wonderful homemade cakes or luxurious desserts. Either way, you'll have a cuppa that's great tasting and healthy too!

## Caramel Cream Flavoured Black Tea

Enjoy the delicious melt in the mouth taste of butterscotch blended with the natural flavour of creamy caramel, a hint of vanilla and premium Ceylon black tea. A superb tea blend that can be enjoyed anytime, Caramel Cream is a favourite with many as an after-dinner tea and works well with milk and sugar if desired

## Mocha Chai

High quality, mountain-grown Ceylon tea is used to blend with real Indian spices in our Mocha Chai. Natural cherry and chocolate flavours are added to give a different 'Mocha' depth to what is a very satisfying blend. With the word 'exquisite' springing to mind, taste it and see if you agree!

## Gin and Tonic

An amazing blend of green tea, herbs and botanicals combine to create a tea full of a Gin & Tonic flavour with not one drop of alcohol in sight! You will love this tea spin on a traditional beverage with uniquely crafted flavours to highlight a lemon twist that will work any time of the day
