

Visiting The Workhouse and Infirmary

These buildings have witnessed over 160 years of social care and attitudes towards the poor. Behind every door is a story. Come, step back into the past and explore the experiences of those who lived, worked or were treated here.

For what's on during your visit please look at the information boards. We have a visitor route for you to follow through the properties. If you have any questions, please talk to a member of the team.

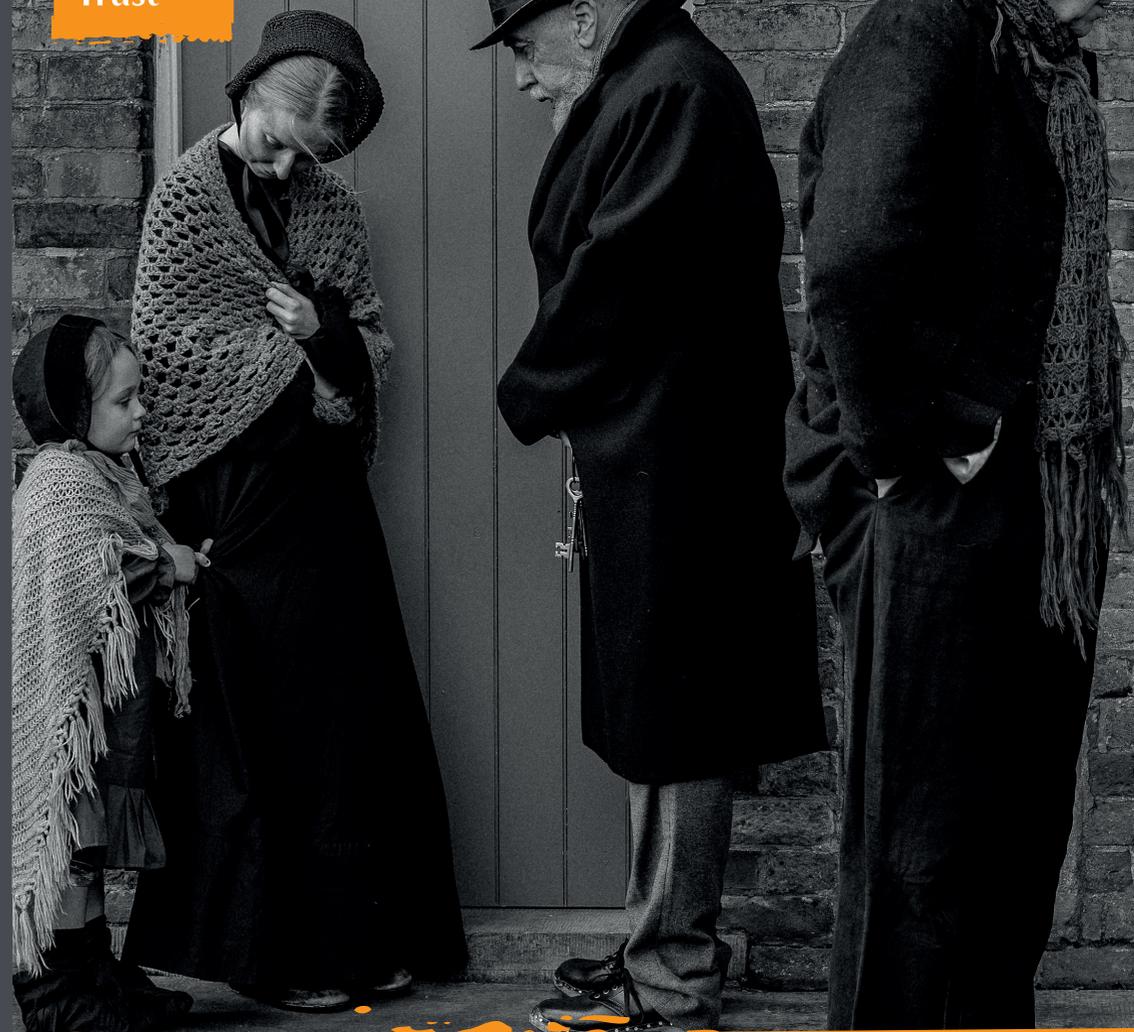

Pick up a digital label from the Visitor Hub to discover extra content around the Workhouse and Infirmary. Large text digital labels are available.

Please refer to the map for easy reference to all the key visitor points across the site. Wheelchairs are also available to borrow from the Visitor Reception Building, the Visitor Hub and on the first floor of the Workhouse. Please ask a member of the team for help.
